### **TEACHING & WORKING EXPERIENCES**

---

**University of Wisconsin-Madison**

**Madison, WI, USA**

**Project Assistant**

**2022-2024**

- Conducted and synthesized interviews with technology developers to providing supporting material for a National Science Foundation grant proposal
- Led computational analysis and crowdsourcing content analysis on misinformation and online harassment

**Teaching Assistant**

**2021-2022**

*Introduction to Mass Communication - School of Journalism & Mass Communication*

*Introductory Analytics for Decision Making - Information School*

*Data Visualization & Communication - Information School*

- Led two weekly discussion sections, conducted synchronous office hours, and provided email consultations for student support.
- Evaluated and graded prepared speeches, essays, and examinations to ensure academic rigor and feedback for student development.

**Hong Kong Baptist University**

**Hong Kong, China**

**Teaching Assistant**

**2018-2020**

*Introduction to Media and Communication*

*Culture, Society and the Media*

*Perspectives in Public Relations and Advertising*

- Developed multimedia courseware aligned with teaching plans to enhance instructional materials and engage students effectively.
- Evaluated quizzes and essays, delivering constructive face-to-face feedback during office hours to support students' academic progress.
